# Superintendent's Report

---

To the School Board and Citizens of the Unity School District, I respectfully submit my annual report as Superintendent of Schools.

## TEACHING STAFF

Our school year began on September 5th. Three of our regular teachers returned, leaving only one change in our staff for the fall term. Mrs. Lois Cragin resigned to accept a more lucrative position in the Newport Schools. We are very appreciative of the fine work that Mrs. Cragin has done over the years, in the interest of the children in the Unity School.

Miss Nancy Buswell was appointed to succeed Mrs. Cragin in the Primary Room. She graduated from Keene Teachers College last June. Her home is in Claremont.

## EXPECTED SCHOOL ENROLLMENT

1963 - 1964

It is expected that we will have a first grade entering class of fifteen pupils in September, 1963. This would give us an estimated total school enrollment of one hundred and one pupils. The room assignments would be as follows:

Miss Buswell	Grades 1 and 2	24 pupils
Mrs. McCullough	Grades 3 and 4	28 pupils
Mrs. Wirkkala	Grades 5 and 6	25 pupils
Mrs. Nelson	Grades 7 and 8	24 pupils

Total	101 pupils
-------	------------

## MAINTENANCE

Mrs. Marjorie Smith continued this year as custodian of the building, and we are very appreciative of her efforts in making our school facilities comfortable and most livable.

During the summer an extensive improvement program was scheduled and completed. The Assembly Room, Reception Hall, and Kitchen were re-decorated. Also, all desks were cleaned, sanded and varnished.

## STATE AID AND INCOME

We received this year from the State of New Hampshire \$20,908.67 in Foundation Aid. Also the sum of \$847.35 in Building Aid. These amounts together with about \$200 in Trust Funds gave us a total income of approximately \$21,960.00. This amount can help immeasurably in reducing the monies necessary to be raised by local assessment.

## CAFETERIA

Mrs. Dorothy Lemere was appointed cook in our school cafeteria beginning September, 1962. We have been more than pleased with her supervision of the school lunch program. All children who have wished to do so, have had an opportunity to take advantage of this auxiliary school service. Monthly shipment of government surplus foods have helped finance this program, and enabled us to serve meals at a minimum cost to the children.

## SUPERINTENDENT'S RECOMMENDATIONS

1. That the windows on the East Side of the building be weather-stripped to make our rooms more comfortable on windy days during the winter months.
2. That improvements be made in the driveway and culvert in the front of the building, where repairs are definitely needed.
3. That some arrangement be made for providing a wind-break for the outside doors on the north side of the building, doors which serve as exits for the lower grade rooms.
4. That the kitchen be provided with screens and the tables in the cafeteria be recovered with plastic tops.
5. That some thought be given in the near future to the construction of a small addition in the available storage facilities for miscellaneous equipment and janitorial supplies.

## SUMMARY

In my opinion this has been a very satisfactory year at the Unity School. Elsewhere in this Annual Report you will find the reports of the School Principal and the Nurse. They have given a detailed outline of the activities of the children during the school year. I hope you will read those reports with interest and satisfaction.

I wish to thank the School Board, the Teachers, and the Citizens of Unity for their support and loyalty. I am very appreciative of this cooperation. Working together we can continue to maintain a high standard of education, and give the people of Unity a school of which they may be proud.

Respectfully submitted,

NOYES C. STICKNEY, Superintendent.

## UNITY ELEMENTARY SCHOOL

One of the special activities of the past year has been a continuation of the Physical Fitness Program under the direction of Mr. Douglass Reed, Y.M.C.A. Secretary for the Western District.

The television courses have continued. For grades 1 through 4, "Book Parades", grades 3 and 4, "New Hampshire History", and "Science", grades 5 and 6, "Science" and "Art", and grades 7 and 8, "Art" and "Careers".

Open House, combined with the annual Book Fair, was well attended. The books again were furnished by Mrs. Waite's "Book Stall". Miss Caroline Stoughton gave book reviews to the upper grades and Mrs. Tenney held a story hour for the lower grades. A book poster contest was an added feature of this year's fair.

At Christmas time a pageant was presented, and a Christmas tree and gifts were supplied by the Unity P.T.A.

We report with special pride that seven Unity children were winners in the George E. Lewis Fire Poster Contest.

The most notable changes at school are our new first and second grade teacher, Miss Nancy Buswell and our new cook, Mrs. Dorothy LeMere.

Mrs. Shute, the Town Librarian, is present every Thursday with books from the library.

\$100 of the proceeds from the magazine drive has been used to buy books as a nucleus for a school library. From the same fund a set of required 7th and 8th grade literature books have been purchased.

H.M.S. Pinafore is in rehearsal and will be presented by the school in April.

The class trip to Lost River was enjoyed so much by the graduating class of last year that the present 8th grade is hoping to make the same trip this Spring.

Respectfully submitted,

ELIZABETH T. NELSON, Principal.

# Report of School Nurse

---

In submitting my tenth annual report to the citizens of Unity, I would like to summarize a portion of the work carried out in the school health program during the 1961-62 school year.

One hundred eighteen vision tests were done. From this number eight defects were found, reported and corrected.

Ninety-three hearing tests and five audiograms were done. One defect was reported and the child was examined by a physician.

One hundred fifteen children were weighed, measured and examined for noticeable defects.

Dental Health continues to be a major problem in all areas. The Unity P.T.A. has been very interested in this problem and has sponsored a Dental Clinic for the past nine years. Partial financial assistance is received from the Matching Fund Program under the N. H. State Department of Health but the major cost of this dental program is borne by the P.T.A. volunteer drivers from the P.T.A. who transport the children to the clinic. Dr. Karl Rund of Claremont has carried this program for us during the past five years. The children, for the most part, look forward to "going to the dentist"—many of them for the first time. We appreciate the work Dr. Rund has done as well as his real interest in the dental health of the school children. During this past year twenty-eight children attended the clinic and were treated.

A Tuberculin Patch Testing program is carried out yearly in grades one, three, five, seven and eight. Fifty-one children were Patch tested. Four of these children had chest x-rays through the State sponsored Tuberculosis program. All reports were negative.

Immunization Clinics were held during the year. One hundred five school children were given booster inoculations of Salk Vaccine—seventeen pre-school children and nine adults. Diphtheria-Tetanus Toxoid was given seventeen school children in grades one and two. Triple Toxoid was given nine pre-school children and five pre-school children were vaccinated against Small-Pox.

During the summer of 1962 Sabin (oral) Vaccine was made available to pre-school children in three nearby communities—this program included Unity. In September, 1962 the Sabin Vaccine

was made available to school children, pre-school children as well as adults through the Sullivan County Medical Association. Donations of twenty-five cents per treatment were requested—if a person was able to pay—otherwise no one was denied the Vaccine. Seventy-three children completed the series of Vaccine.

I would like to express my thanks to you all for your interest and fine support in helping to carry out our School Health Program.

Respectfully submitted,

FLORENCE C. MacIVER, School Nurse.
